

Certificate of Non-Applicability

We certificate that above product is not applicable any article in the U.S. Export Administration Regulations (the EAR).

Product Classification	Standard Type	Product Classification	Standard Type
Control Switch	A type Control Switch	Joystick Switch	ZD type Joystick Switch
	B type Control Switch		ZBS type Joystick Switch
	E type Control Switch		ZM type Joystick Switch
	V type Control Switch		MX type Joystick Switch
	H type Control Switch	Connection equipment	SA type terminal block
Control Switch Accessory	Handle		MB type terminal block
	Cover		RB type rail mounting terminal block
Push Pull Switch	AS type Control Switch		HC type terminal block
	AP type Control Switch		AT type capacitor built-in terminal block
	BS type Control Switch		ATT type test terminal
	BP type Control Switch		DC type DISCONNECTION TERMINAL BASE
Control Switch with indication lamp	EB type Control Switch with Indication Lamp		SH type test terminal
	Lamp		TD type connector terminal block
	LB type Control Switch with Indication Lamp		PCA type connector
	MSB type Control Switch with Indication Lamp		
	VL type Control Switch with Indication Lamp	Other products	V1 type Ventilator
Indication Lamp	LU type Indication Lamp	Electronic products	GD Series Earth Leakage Relay
Waterproof type (Only the part exposed from Panel surface)	WA Waterproof Board type Control Switch		GDZM type Residual Current Transformer
	WB Waterproof Board type Control Switch		SDL50・225 type DC Earth Leakage Relay
	WBO Exterior Waterproof type Control Switch		SDL0 type DC Earth-Fault Detector
	F type Control Switch		
High Frequency Type	UC High Frequency type Control Switch		
	TA1 High Frequency type Control Switch		
	TB1S High Frequency type Control Switch		
Double gear type	GBN Double Gear Type Control Switch		
Master circuit control switch	US type Uni-Cut		
	UBO type Uni-Safe
