

Certificate of Non-Applicability

We certificate that above product is not applicable any article in the U.S. Export Administration Regulations (the EAR).

Product Classification	Standard Type	Product Classification	Standard Type	
Control Switch	A type Control Switch	Joystick Switch	ZD type Joystick Switch	
	B type Control Switch		ZBS type Joystick Switch	
	E type Control Switch		SA type terminal block	
	V type Control Switch		MB type terminal block	
	H type Control Switch		RB type rail mounting terminal block	
Control Switch Accessory	Handle	Connection equipment	HC type terminal block	
	Cover		AT type capacitor built-in terminal block	
Push Pull Switch	AS type Control Switch		ATT type test terminal	
	AP type Control Switch		DC type DISCONNECTION TERMINAL BASE	
	BS type Control Switch		SH type test terminal	
	BP type Control Switch		TD type connector terminal block	
Control Switch with indication lamp	EB type Control Switch with Indication Lamp		Other products	PCA type connector
	LB type Control Switch with Indication Lamp			V1 type Ventilator
	MSB type Control Switch with Indication Lamp			GD Series Earth Leakage Relay
	VL type Control Switch with Indication Lamp			GDZM type Residual Current Transformer
Indication Lamp	LU type Indication Lamp	Electronic products	SDL50 - 225 type DC Earth Leakage Relay	
Waterproof type (Only the part exposed from Panel surface)	WA Waterproof Board type Control Switch		SDLO type DC Earth-Fault Detector	
	WB Waterproof Board type Control Switch			
	WBO Exterior Waterproof type Control Switch			
	F type Control Switch			
High Frequency Type	UC High Frequency type Control Switch			
	TA1 High Frequency type Control Switch			
	TB1S High Frequency type Control Switch			
Double gear type	GBN Double Gear Type Control Switch			
Master circuit control switch	US type Uni-Cut			
	UBO type Uni-Safe
