# Certificate of Non-Applicability

We certificate that above product is not applicable any article in the U.S. Export Administration Regulations (the EAR).

| Product Classification | Standard Type |
|---|---|
| Control Switch | A type Control Switch |
| | B type Control Switch |
| | E type Control Switch |
| | V type Control Switch |
| | H type Control Switch |
| Control Switch Accessory | Handle |
| | Cover |
| Push Pull Switch | AS type Control Switch |
| | AP type Control Switch |
| | BS type Control Switch |
| | BP type Control Switch |
| Control Switch with indication lamp | EB type Control Switch with Indication Lamp |
| | LB type Control Switch with Indication Lamp |
| | MSB type Control Switch with Indication Lamp |
| | VL type Control Switch with Indication Lamp |
| Indication Lamp | LU type Indication Lamp |
| Waterproof type (Only the part exposed from Panel surface) | WA Waterproof Board type Control Switch |
| | WB Waterproof Board type Control Switch |
| | WBO Exterior Waterproof type Control Switch |
| | F type Control Switch |
| High Frequency Type | UC High Frequency type Control Switch |
| | TA1 High Frequency type Control Switch |
| | TB1S High Frequency type Control Switch |
| Double gear type | GBN Double Gear Type Control Switch |
| Master circuit control switch | US type Uni-Cut |
| | UBO type Uni-Safe |

| Product Classification | Standard Type |
|---|---|
| Joystick Switch | ZD type Joystick Switch |
| | ZBS type Joystick Switch |
| | ZM type Joystick Switch |
| | MX type Joystick Switch |
| Connection equipment | SA type terminal block |
| | MB type terminal block |
| | RB type rail mounting terminal block |
| | HC type terminal block |
| | AT type capacitor built-in terminal block |
| | ATT type test terminal |
| | DC type DISCONNECTION TERMINAL BASE |
| | SH type test terminal |
| | TD type connector terminal block |
| | PCA type connector |
| | PC type connector |
| Other products | V1 type Ventilator |
| Electronic products | GD Series Earth Leakage Relay |
| | GDZM type Residual Current Transformer |
| | SDL50・225 type DC Earth Leakage Relay |
| | SDL0 type DC Earth-Fault Detector |
